## **TARGETED INDUSTRY INCENTIVES:**

### **Qualified Target Industry Tax Refund (QTI)**

The Qualified Target Industry Tax Refund incentive is available for companies that create high wage jobs in targeted high value-added industries. This incentive includes refunds on corporate income, sales, ad valorem, intangible personal property, insurance premium, and certain other taxes. Pre-approved applicants who create jobs in Florida receive tax refunds of \$3,000 per net new Florida full-time equivalent job created; \$6,000 in an Enterprise Zone or rural county. For businesses paying 150 percent of the average annual wage, add \$1,000 per job; for businesses paying 200 percent of the average annual salary, add \$2,000 per job. The local community where the company locates contributes 20 percent of the total tax refund. There is a cap of \$5 million per single qualified applicant in all years, and no more than 25 percent of the total refund approved may be taken in any single fiscal year. New or expanding businesses in selected targeted industries or corporate headquarters are eligible.

### **Qualified Defense and Space Contractor Tax Refund (QDSC)**

Florida is committed to preserving and growing its high technology employment base by giving Florida defense, homeland security, and space business contractors a competitive edge in consolidating contracts or subcontracts, acquiring new contracts, or converting contracts to commercial production. Pre-approved applicants creating or retaining jobs in Florida may receive tax refunds of \$3,000 per net new Florida full-time equivalent job

created or retained; \$6,000 in an Enterprise Zone or rural county. For businesses paying 150 percent of the average annual wage, add \$1,000 per job; for businesses paying 200 percent of the average annual salary, add \$2,000 per job.

### **Capital Investment Tax Credit (CITC)**

The Capital Investment Tax Credit is used to attract and grow capital-intensive industries in Florida. It is an annual credit, provided for up to twenty years, against the corporate income tax. Eligible projects are those in designated high-impact portions of the following sectors: clean energy, biomedical technology, financial services, information technology, silicon technology, transportation equipment manufacturing, or be a corporate headquarters facility. Projects must also create a minimum of 100 jobs and invest at least \$25 million in eligible capital costs. Eligible capital costs include all expenses incurred in the acquisition, construction, installation, and equipping of a project from the beginning of construction to the commencement of operations. ## **High Impact Performance Incentive Grant (HIPI)**

The High Impact Performance Incentive is a negotiated grant used to attract and grow major high impact facilities in Florida. Grants are provided to pre-approved applicants in certain high-impact sectors designated by the Governor's Office of Tourism, Trade and Economic Development (OTTED). In order to participate in the program, the project must: operate within designated high-impact portions of the following sectors-- clean energy, biomedical technology, financial services, silicon technology, and transportation equipment manufacturing or be a corporate headquarters facility supporting international, national or regional operations; create at least 100 new full-time equivalent jobs (if a R&D facility, create at least 75 new full-time equivalent jobs) in Florida in a three-year period; and make a cumulative investment in the state of at least \$100 million (if a R&D facility, make a cumulative investment of at least \$75 million) in a three-year period. Once approved, the high impact business is awarded 50 percent of the eligible grant upon commencement of operations and the balance of the awarded grant once full employment and capital investment goals are met.

## **WORKFORCE TRAINING INCENTIVES:**

### **Quick Response Training Program (QRT)**

Quick Response Training (QRT) - an employer-driven training program designed to assist new value-added businesses and provide existing Florida businesses the necessary training for expansion. A state educational facility - community college, area technical center, school district or university - is available to assist with application and program development or delivery. The educational facility will also serve as fiscal agent for the project. The company may use in-house training, outside vendor training programs or the local educational entity to provide training. Reimbursable training expenses include: instructors'/trainers' wages, curriculum development, and textbooks/manuals. This program is customized, flexible, and responsive to individual company needs.

### **Incumbent Worker Training Program (IWT)**

Incumbent Worker Training (IWT) - a program that provides training to currently employed workers to keep Florida's workforce competitive in a global economy and to retain existing businesses. The program is available to all Florida businesses that have been in operation for at least one year prior to application and require skills upgrade training for existing employees. Priority is given to businesses in targeted industries, Enterprise Zones, HUB Zones, Inner City Distressed areas, Rural Counties and areas, and Brownfield areas.

## **INFRASTRUCTURE INCENTIVE:**

### **Economic Development Transportation Fund**

The Economic Development Transportation Fund, commonly referred to as the "Road Fund," is an incentive tool designed to alleviate transportation problems that adversely impact a specific company's location or expansion decision. The award amount is based on the number of new and retained jobs and the eligible transportation project costs, up to \$3 million. The award is made to the local government on behalf of a specific business for public transportation improvements.
